

Private Boaters: How to confirm your lottery launch reservation.

Congratulations! Now that's you've been awarded a launch date in the 4 Rivers Lottery, you must confirm your launch prior to March 15th.

Sign into your account at www.recreation.gov.

Click on the **Lottery Applications** link. This will show you the status of the application(s) you submitted. PLEASE NOTE: it's quite possible you drew a date that was not your preferred launch date; quite a few 2nd, 3rd and 4th choices are awarded in the lottery, so look at the awarded date carefully.

Click the **See Details** button next to the reservation you were awarded a permit for.

You are now at the Permit Details Page. You will need to enter some mandatory information (fields with a red star), including your **planned exit date** and at least one person to confirm your reservation. On the Middle Fork and main Salmon rivers, you must pay for at least one person to reserve and confirm your reservation. You can change the details of your permit and pay for more people, or get refunded for fewer people or less days at any time. **Your final payment and trip details, including the names of all trip participants, must be entered prior to your launch date.**

Read the Alerts and Important Information. Then **click the box** next to "Yes, I have read and I understand this important information."

Click on "**Continue to Shopping Cart**". Review your shopping cart for accuracy. You will see the amount that you are expected to pay based on the number of people and number of days that you entered while confirming your reservation. You can change this information by clicking on "Change Details".

Please note that the \$6.00 Application fee is not refundable if you cancel this reservation. However, the recreation fees will be refunded in full if you cancel your reservation.

Once you're ready, click on "**Checkout Shopping Cart**". Enter your credit or debit card information.

Read the information then **click on the box** next to "**Yes, I have read and accept the above acknowledgement.**"

Click on "**Complete this Purchase**".

If you have any difficulties, the Customer Service number is 1-888-448-1474.

Any unconfirmed reservations will be released at an undisclosed time beginning on March 16th.
